

2025 The Bo Cipra Foundation Golf Tournament Fundraiser

Dear Community Friend,

We are excited to announce the annual golf tournament fundraiser of 2025 will be Monday, April 28, 2025. It is with great pride and honor that we are able to use this platform “to help others”. Our foundation will aid families in the oilfield that have lost a loved one unexpectedly. The foundation will also try to bring to light and support golf cart safety awareness. The number of injuries or tragedies involving a golf cart is staggering and we want to shine a light to assist others by educating and supporting this cause. The Houston Livestock show was near and dear to Bo Cipra’s heart as he spent countless hours volunteering on the Breeder’s Greeters committee. We have been able to grant multiple scholarships to Spring Woods high school students.

This year, The Bo Cipra Foundation will be looking to build on our success from our first two years to create a great event that allows everyone to come together and support great causes. The proceeds of the event will go toward assisting petroleum industry families with children who lose their primary provider and support other charitable organizations. Our golf tournament will be held on Monday, April 28, 2025 at Wildcat Golf Club. Please visit our website at www.thebociprafoundation.org to sign up online.

We sincerely appreciate your participation in our event by donating an item, service, or gift certificate towards our auctions. Your generous and appreciated donation will be listed at the tournament along with your name/business as a supporter of our event.

For more information, please contact Tim Schumacher at admin@thebociprafoundation.org or by phone 281-808-8932.

Thank you so much for believing and supporting our cause. This year you can make a difference in someone’s life.

Sincerely,

Tim Schumacher, Tournament Director
